**RE: HIPAA X12 Version 5010 Implementation**

South Dakota Department of Social Services (DSS), Division of Medical Services, has transitioned to the HIPAA X12 Version 5010 that regulates the electronic transmission of specific health care transactions including eligibility, claim status, and remittances.

We will no longer accept HIPAA 4010 transactions beginning April 12, 2012. You will begin receiving 999 Acknowledgements beginning on April 12, 2012. You will no longer receive 997 Acknowledgements.

For questions on this implementation, please send an email to [sdmedxed@state.sd.us](mailto:sdmedxed@state.sd.us) or call us at 605-773-3495 and request to speak to the EDI representative.
